

IEA Bioenergy

Agenda internal IEA Task 40 meeting; Wednesday 16th March

Location: The Meeting J9-044, in Boris's building in Boris's floor (5 meter away from Boris's office)

Invited: NTL's; members, affiliated bodies and observers of Task 40.

Members:

- Norway: Holvar Klokk, Havar Risnes
- Sweden: Bo Hektor, Erik Ling
- Brazil: Arnaldo Walter
- Canada: Douglas Bradley
- Finland: Tapio Ranta, Jussi Heinimo
- Netherlands: Martijn Wagener, Andre Faaij

Affiliated International bodies:

- FAO: Gustavo Best
- World Bank: Boris Utria

Observers (*)

- UK: Frank Rosillo-Calle, Jeremy Woods
- Italy: Malgorzata Peksa, Angela Grassi
- EC:

(): The European Commission maintains observer status at moment of writing.*

UK membership depends on support from market parties, which is currently being pursued. Italian membership is being secured at moment of writing.

Start: 9:00: Word of Welcome; Introduction round

- Status with ExCo, membership, observers and budget (Martijn Wagener)
- Status and objectives of the work programme; acquisition of new members (Andre Faaij)

Followed by:

- Overview progress in the Work Programme with different partners (short presentations).
- Status of the country reports; biomass use, markets and trading (all members, e.g with short presentations).

- Coordination and partners for different deliverables; actions to be taken.
- Definition of final products from the work programme (tables of content...).
- Strategic advice for ExCo and others

LUNCH: 12:30 – 14:00

- Time planning (who does what in collaboration with who and when).
- Reporting of results (in general and to ExCo); Specific topics:
 - A special issue on International Bio-energy trade for the Journal 'Energy for Sustainable Development' (who would like to contribute; some 7-8 contributions needed).
- Events Task 40 for 2005-2006;
 - next task meeting in Brazil with Task 30 & 31
 - Attending the Bio-energy conference in Paris October 2005 and collaboration with EUBIONET-II
 - work with Task 38, potentially 39.

The Workshop (what do we want to get; final products, preparing discussions, selection of chair persons for different sessions).

End: 17 o'clock

Evening: Task dinner in Washington
